### A LAVISH PEEK INSIDE BEAUTIFUL NEW ZEALAND HOMES

The interiors photographer Jane Ussher knows a great room when she sees one. Over the years she has shot interiors ranging from Shackleton's Antarctic huts to highly specified mansions. In this superb book she focuses her camera on a range of rooms that she considers to be beautiful, intriguing, distinctive and unique. Shot in a range of locations across New Zealand, the result is a mix of *World of Interiors* and the special panache that can only be found in Aotearoa.

The 300-plus images are introduced by a superb essay by well-respected architecture writer John Walsh.

A glorious book which all those interested in interior design will treasure.
