### ASTOUNDING IMAGES OF MAGNIFICENT RESIDENTIAL INTERIORS

The successor to the beautiful, bestselling, award-winning 2022 book by Jane Ussher (*Rooms: Portraits of Remarkable New Zealand Interiors*), *Rooms Volume Two* is set in a range of locations across New Zealand, showing the special interiors panache that can only be found in Aotearoa and the way we use art, furniture, textile designs and found objects to reflect life here. A sparkling text by design expert and award-winning writer Douglas Lloyd Jenkins completes the package.

Elegant, luscious, inspirational, like its predecessor it is destined to feature on coffee tables for many years to come.
