A YOUNG VET'S EXPERIENCES WITH COWS AND CAMELS

This amusing and endearing hilarious memoir of a young New Zealand vet focuses on the trials and tribulations of being a newcomer to professional veterinary life in New Zealand and then in Newfoundland, southern England and Jordan.

In *The Ones That Bit Me!*, there is sadness and personal challenge, too, when Marcus Taylor is severely injured in an accident only a couple of years into his practice.

Candid, engaging and big-hearted, this book explores the deep connection between humans and animals, and the vet's role when both are in need of care and support.

ABOUT THE AUTHOR

Marcus Taylor graduated as a veterinary surgeon from Massey University in 2013 and went straight into large animal practice. He later worked in Newfoundland and southern England. In 2022 he worked on an animal-health research project in the Middle East. He ran the podcast *Nuggets for Vet Nurses* with a veterinary colleague and has a YouTube channel, *Lord of the Vets*. He works as a veterinary advisor in Christchurch, New Zealand.
